

UK to IEC C13 Power Cables

Our UK mains leads come with a UK specification plug fitted with either a 5 or 13 Amp fuse. Cable cores can be rated from 0.75mm² (10 Amp) to 1.5mm² (16 Amp.)

- PL-248 - UK to IEC C13 (0.5 Mtr, 5 Amp Fuse)
- PL-249 - UK to IEC C13 (1 Mtr, 5 Amp Fuse)
- PL-250 - UK to IEC C13 (1.8 Mtr, 5 Amp Fuse)
- PL-297 - UK to Right Angled IEC C13 (2 Mtr, 5 Amp Fuse)
- PL-303 - UK to IEC C13 (3 Mtr, 5 Amp Fuse)
- PL-305 - UK to IEC C13 (5 Mtr, 13 Amp Fuse)
- PL-307 - UK to IEC C13 (10 Mtr, 13 Amp Fuse)

UK Mains Plug

UK to 2x C13 Power Splitter Cable

Our UK to 2x IEC C13 power splitter cable is designed to power two devices with C13 power sockets from one standard UK power socket.

- PL-333 - UK to 2x IEC C13 (2 Mtr, 13 Amp Fuse)

US or Euro to IEC C13 Power Cables

Power cables for use in other countries

- PL-291-US - US to IEC C13 (2 Mtr)
- PL-299-EU - Euro to IEC C13 (2 Mtr)

US Mains Plug

Euro Mains Plug

IEC C13 - C14 Extension Cables

IEC C13 to C14 power extension cables

- PL-301/0.5 - IEC C13 to C14 (0.5 Mtr)
- PL-301/1.0 - IEC C13 to C14 (1 Mtr)
- PL-301 - IEC C13 to C14 (2 Mtr)
- PL-310 - IEC C13 to C14 (3 Mtr)

Power Leads with a C5 Connector

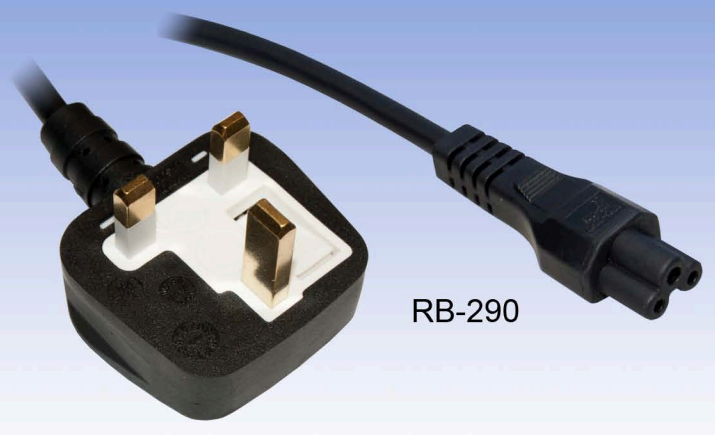

The C5 (sometimes called Mickey Mouse or cloverleaf due to the shape of the connector) is most commonly seen on laptop power supplies and portable projectors.

PL-290 - UK to C5 Mains Lead (2 Mtr, 5 Amp Fuse)

PL-292-EU - Euro to C5 Mains Lead (2 Mtr)

C5 Connector

RB-290

Power Leads with a C7 Connector

The unpolarised C7 (sometimes called figure-8 or shotgun connector due to the shape of the connector) is most commonly seen on battery/mains operated radios, some full size AV equipment, laptop computer power supplies and video game consoles.

PL-298 - UK to C7 Mains Lead (2 Mtr, 3 Amp Fuse)

PL-295-EU - Euro to C7 Mains Lead (2 Mtr)

PL-296-US - US to C7 Mains Lead (2 Mtr)

C7 Connector

RB-298

Power Leads with a C19/C20 Connector

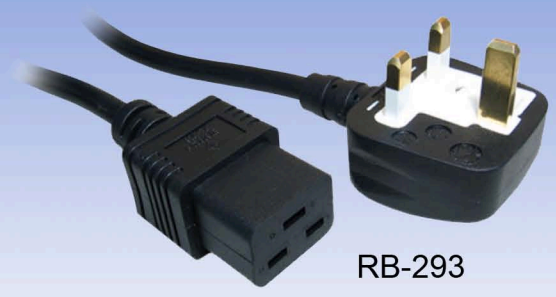

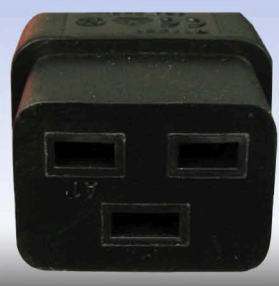

C19 and C20 connectors are used for some IT applications where higher currents are required, for instance, on high-power workstations and servers, UPSs, PDUs and similar equipment.

PL-293 - UK to C19 Mains Lead (2.5 Mtr, 13 Amp Fuse)

PL-294 - C19 to C20 Extension Lead (2.5 Mtr)
