

Statement on the “REACH” Regulation (EC 1907 / 2006)

TO WHOM IT MAY CONCERN

European Regulation (EC) No. 1907/2006 : REACH Regulations

Cablecom (UK) Ltd is a distributor of articles and a responsible supplier to many major manufacturing customers.

Cablecom (UK) Ltd is a purchaser and importer of articles and manages the supply chain through a number of franchises for many major electronic component suppliers.

Cablecom (UK) Ltd are fully aware of the requirements of REACH and have identified their roles and obligations to the best of their knowledge.

Cablecom (UK) Ltd confirm that they understand their obligations under REACH in their roles as either distributor or importer of articles.

Cablecom (UK) Ltd are located inside the EU.

- a) For suppliers located within the EU we are acting as a distributor and therefore those suppliers have to fulfil the obligations identified by REACH.
- b) For suppliers located outside of the EU we are acting as an importer with all obligations relevant to Cablecom (UK) Ltd.

Cablecom (UK) Ltd have not pre-registered, nor intend to register any substances.

Cablecom (UK) Ltd do not sell any articles containing any substances that are intended to be released at any time. Therefore pre-registration or registration is not required.

Cablecom (UK) Ltd is in contact with all suppliers, either located inside or outside of the EU, in order to obtain full and correct information on the status of all articles and to ensure the availability of those articles in the future.

Cablecom (UK) Ltd will monitor all further obligations with regards to Annex XIV and SHVC's and will advise accordingly. Please keep checking our website for any updates.

If you have any questions on this directive, or need further details, please contact the Quality Manager.

Sincerely,

Cablecom (UK) Limited
